※The image may vary depending on the bank

※The picture below is an example of HSBC card

The screenshot shows the HSBC MasterCard SecureCode authentication interface. At the top left is the 'MasterCard SecureCode' logo, and at the top right is the 'HSBC' logo with its hexagonal symbol. A '中文' (Chinese) button is located next to the HSBC logo. The main text explains that users are required to complete questions for authentication and recommends registering a password. It provides the URL 'www.commercial.hsbc.com.hk' for registration. Below this, there are three numbered questions with corresponding input fields: 1. HK ID card (include first seven characters only, e.g. A123456) / passport no. with a single-line input field; 2. Credit card expiry date (mm/yy) with two separate input fields for month and year; 3. Date of birth (dd/mm/yyyy) with three separate input fields for day, month, and year. At the bottom of the form are 'Confirm' and 'Cancel' buttons. The footer contains copyright information for The Hongkong and Shanghai Banking Corporation Limited (2002-2013) and links to 'Privacy and Security', 'Terms of Use', and 'Hyperlink Policy'.

**MasterCard SecureCode**

**HSBC**

中文

To protect your interests, you are required to complete the following questions as an authentication measure to make online payment by your HSBC credit card using the MasterCard® SecureCode service. In addition, we recommend you register your own password for HSBC's MasterCard® SecureCode as soon as possible so that you can make online payment easier and more secure.

To register your password for HSBC's MasterCard® SecureCode service, please visit [www.commercial.hsbc.com.hk](http://www.commercial.hsbc.com.hk).

1. HK ID card (include first seven characters only, e.g. A123456) / passport no. :

2. Credit card expiry date (mm/yy) :  /

3. Date of birth (dd/mm/yyyy) :  /  /

[Return to the payment page](#)

---

#### **6. Reflection to MT4 Account**

If the payment succeeded and there is no unapproved or missing items the deposit will be reflected based on the payment time confirmed by Admin. For the payment earlier than Japan time 17:00, we will reflect on the same day.

For the payment later than Japan time 17:00, we will reflect on the next day

For example, if the payment time confirmed by admin is 18:00, the deposit will be reflected on the next day.

※Please kindly note that if there is unapproved or missing items, it will take more time
